INTERVIEW AGENDA

Sir:

Following the Office action of July 2, 2004, Applicant has requested an interview with Examiner. The timing of the interview has been set for Tuesday October 12 at 2:00pm ET.

The main issue to be discussed during the interview is the following: is limitation f) of claim 13 disclosed by Reinhardt?

Limitation f) of claim 13 reads:

transforming the geometric model of a product based on at least the camera position and the product location to form a transformed geometric model.

In our view Reinhardt does not disclose the product recited in this clause. The product is not depicted in the original image. Reinhardt is only concerned with objects depicted in the
